3. Second readings with conditional first reading approval

a. Programs

- i. 5120: Aviation - Professional Pilot Airplane AAS
- ii. 5122: Aviation - Professional Pilot: Helicopter AAS
- iii. Adding BA 214 as an option to WR 121
 - 1. The Curriculum Committee has a concern that BA 214 may not have the necessary reading component that WR 121 provides.
 - 2. BA 214 does not have a prerequisite so students who do not have college level reading skills can register into BA 214. WR 121 has a prerequisite to prevent this from happening.
 - 3. The Aviation Program Director advises students to register into WR 121 who plan to transfer to a bachelor's degree program. A bachelor's degree is not necessary for students planning on going into the Helicopter field. BA 214 is appropriate for students in the Aviation - Professional Pilot: Helicopter AAS.
 - 4. The Aviation Program Director will review student's placement test scores during advising to ensure their reading comprehension is appropriate to register into BA 214.
 - 5. Vickery Viles added a footnote to the Aviation programs in CourseLeaf to clarify that WR 121 is recommended for students planning to transfer to a bachelor's degree program.

6. Question: Does BA 214 meet the related instruction (communication) requirement at COCC?
 - iv. **Sara Henson motioned to approve the second reading of the Aviation program changes and Michelle Decker seconded the motion. The motion was unanimously approved.**

 - i. SP 255: Free Expression Public Assem
 1. Jon Bouknight confirmed general education status with PSU.
 - a. Vickery entered the general education status in CourseLeaf.
 - ii. CJ 250: Terrorism Emergency Management
 1. Jared Forell confirmed general education status with WOU.
 - a. Vickery entered the general education status in CourseLeaf.
 - iii. **Jessica Giglio motioned to approve the second reading of SP 255 and CJ 250 and Jenni Newby seconded the motion. The motion was unanimously approved.**
 - iv. HHP 212A: AHA BLS Provider CPR
 1. Julie Downing and Tim Peterson rewrote the student learning outcomes for HHP 212A.
 2. **Michelle Decker motioned to approve the second reading of the revised student learning outcomes for HHP 212A and Jessica Giglio seconded the motion. The motion was unanimously approved.**
4. **Other Business**
 - a. COCC needs to better define the components of related instruction (communication, computation, human relations).
 - i. Deciding whether BA 214 considered a part of related instruction (communication) should go through go through Academic Affairs.
 - b. **Action item: The curriculum committee will articulate the concern on the definition/components of related instruction and bring it to Academic Affairs for review.**
