Steve Huddleston		
	Amy Harper	
Makenzie Hice		
Angel Ortiz		
Erica Waldbillig, Recorder		

Chair Forrest Towne called the meeting to order at 10:04am.

Old Business

A. Minutes from December 1, 2017 – Forrest Towne

- Jenny asked about Sara Henson needed to do next to get her student fee proposal to move forward
- There is a flow chart on the web to show the process, CFO needed to be in this process
- Tim Peterson met with Sara about possible different avenue otherwise; the fee proposal would come back to CAC for approval.

Action:

No motion needed for Minutes to be approved, changed or apposed.

Minutes approved

A. Proposal to Establish a new Advisory Committee (2nd Reading) – Shared Governance Committee-SGWG

- Changes requested from 1st reading were made
- Matt questioned the membership including 2 faculty members, shared governance should have equal membership across groups
- Could be harder to find 2 classified & Administrators with the necessary availability and experience
- Intent is to keep the committee small but was suggested having 2 members from each group
- Edit membership section: 1 faculty to be elected and 1 appointed by president
- End of the year report from committees to SGC, helps committees be better
- Is there an outline used to audit committee? It is in the committee manual

Action:

Motion – Establish a Shared Governance Committee (2nd Reading) – tabled until next meeting

New Business

A. Electronic Transcript Solution – Transcript Fee (1st reading) – Courtney Whetstine

- 3 current issues
 - After a year students lose access to Bobcat Web Account and request official transcripts online
 - Fee structure is inconsistent between students who order transcripts online compared to in person
 - EDI electronic transcript exchange server is at end-of-life and is not being supported
- Fee structure is not equitable for students, it is cheaper to come in person to request transcripts instead of ordering online and we want to incentivize them to order online
- Current system is not valid anymore not updated but maintained
- Don't outsource that would mean after Banner 9 upgrade all transcripts would have to be done by hand, in person, calling or fax, about 3,000 and make more difficult for students
- Solution – outsource to NSC, we are already partnered with NSC for enrollment verifications
- NSC is a not for profit – support students and partnered with Banner
- There are other companies but they have different pricing and they are for profit
- Savings to the College – person pushing buttons can do other things if we outsourced
- \$28,000 revenue generated is gross, no overhead costs except personnel costs
- Cannot give dollar savings without further research
- If we don't add a surcharge we would lose revenue, we are willing to lose some revenue to keep it cost appropriate for students.
- All other Community Colleges charge about \$7
- Purchasing rules apply for outsourcing this process
- Personnel savings in \$, we need to know the \$ amount
- Redirect personnel time to assist outreach area for recruiting,
- Another benefit for using HSC is faster return time

Action:

Motion – Electronic Transcript Solution – (1st reading) – Courtney Whetstine
Courtney to provide further savings in dollars

Motion made by Steve Huddleston, seconded by Sara Evans

Motion passed unanimously by all members present

Meeting adjourned 10:43 am.

NEXT MEETING: March 2, 2018, 10am BEC Boardroom
