F16	Modified	AV	117	Helicopter Fundamentals	3		Remove AV 115 corequisite; update SLO			remove 115 cor	2/23/2016
F16	Modified	BA	120	Introduction to Supply Chain Management			Changed prefix from SCM 101				Consent 4/5/2016
F16	Modified	BA	121	Logistics Management I			Changed prefix from SCM 102				Consent 4/5/2016
F16	Modified	BA	123	Introduction to Transportation Logistics			Changed prefix from SCM 104				Consent 4/5/2016
F16	Modified	BA	124	Trucking Operations			Changed prefix from SCM 105				Consent 4/5/2016
F16	Modified	BA	237	Marketing Research	4	Effective marketing research is essential to modern business development. The marketing concept is, by definition, customer driven. Without an accurate and complete assessment of the customer needs and wants, business risk is increased. Marketing research has become the driving force of business excellence in the 21st century. This course will explore the best methodologies for confirming strategic initiatives before committing tactical assets. Marketing research provides the critical and essential input for crafting a strategy and developing a business model.	Revision of CEED 213; change in learning outcomes	All CEED prefixes changing to BA prefixes in order to eliminate confusion for students, advisors, and other support groups on campus.			3/8/2016
F16	Reactivate	BA	253	Business Plan Elements	4	business plan-the feasibility analysis, marketing plan, operations, pro forma financials, and how to present the plan.	Reactivated, changing from five to 10 week course, updated course description				3/8/2016
F16	New	BA	254	Business Strategies	4	Redmond's Technology Center, this course in an in depth look at business strategies covering management,	New/Replacement				3/8/2016
