<p><b>Subcommittee Actions</b> (20-25 minutes)</p>	<p>Review Actions for:</p> <ul style="list-style-type: none"> <li>• Business Intelligence Research – will not be making a January capital request but will continue to build a business case Option 1 is do nothing, option 2 is an unknown modification to our current system, option 3 is a full blown data warehouse.</li> <li>• Data Standards – Kristine has been working on our page metadata to improve search results. The DSM page no longer takes them to list of committee members, it now goes to the IE email address. DSM Change Log created for proposed changes. Typos will be made when encountered. They will also add a button to report a data problem that goes to a form.</li> <li>• Maturity Model &amp; Metrics &amp; Roles &amp; Responsibilities – Questionnaire link did not make it into the President's newsletter. Offering a pie from culinary encouraged 77 people to respond. 96 survey-takers so far with the survey ending at the end of the month. One person commented they did not feel comfortable providing their name with survey. Next year names will not be necessary, but title or department may be used. Purpose of survey seemed unclear to some. Laura suggested a</li> </ul>	<p>Data Standards sub-committee to go ahead with the 3 draft content pages for the DSM.</p> <p>MM &amp; RR sub-committees will send questionnaire reminder to commlines and have asked Ron for a ZZZ email list reminder.
