

Central Oregon Community College FARM-TO-WORK PROGRAM

The COCC Sustainability Committee is excited to announce our employee Farm-to-Work program! Fresh greens, vegetables, fruits and more delivered each week to a convenient location on the Bend campus. We have partnered with Agricultural Connections in order to offer a wide variety of products and services. Now you can eat healthy and support local farmers all year round!

Now Offering Fresh,
YEAR-ROUND
Fruits, Veggies and More!

Agricultural Connections

Agricultural Connections (AC) is a tiny Bend-based team that bridges the gap between local farmers and consumers. They purchase direct from more than a dozen local (Central Oregon) and regional (Willamette Valley) organic farms, bringing together a year-round selection of fruits, vegetables, grains and more. Produce is harvested and packed on farms, transported to AC's warehouse and handed out all within 48 hours to guarantee freshness. A few items like onions, winter squash, potatoes and apples are cold-stored during the winter months to extend the season.

How Does It Work?

1. Place your order by **10 a.m. each Monday** at agriculturalconnections.com.
2. Click "produce boxes" under the shop menu, then select your box size. You can order additional veggies, fruits and pantry items a la carte. Please refrain from eggs, milk, or meat given the limited refrigerator space in the COCC Bookstore.
3. Select "COCC" as your pickup location and pay with credit card or Paypal.
4. Pick up your order **2 to 4 p.m. on Wednesday** in the COCC Bookstore kitchen (Newberry Hall). Your bag will be marked with your name on it.
5. Due to the perishable nature of produce, AC cannot offer refunds for orders not retrieved. All food items will be donated or composted if not picked up by Friday afternoon.
6. If you have questions about the ordering process, please contact AC at **541.903.2502** or info@agriculturalconnections.com.

How Much Does it Cost?

AC offers three harvest box sizes. If you sign up for a weekly or bi-weekly subscription, the box cost will be discounted by 10%.

- **\$22 - Small Harvest Box:** 2 types of greens, 2-3 types of veggies and 1 type of fruit. This is a great box for those who cook 2-4 times a week. We recommend this for 1-2 people.
- **\$30 - Standard Harvest Box:** 2-3 types of greens, 4-5 types of veggies and 1 type of fruit. This is a great box for those who cook 4-5 nights a week.
- **\$42 - Full Harvest Box:** 3-4 types of greens, 5-7 types of veggies and 1-2 types of fruit. This box is for folks who love local produce!

For up-to-date information about harvest box contents, visit agriculturalconnections.com.
