**Willing Workers On Local Farms (WWOLF):** WWOLF is a project of Central Oregon Locavore Non-Profit. Our mission is to lend a helping hand to small farms while educating the community about the true nature of local food.

**The farm:** Juniper Jungle is a permaculture and biodynamic-inspired farm. They are located on 10 acres just east of Bend near the municipal airport.

**How it works:** Meet at the farm at 10:00am. After a round of introductions we'll split into groups and get to work. We'll break for lunch around 12:30pm, then return to work until 3:00pm. Pace yourself and have fun!

A delicious FREE lunch will be provided courtesy of Juniper Jungle, Primal Cuts Meat Market, Humm Kombucha, Great Harvest Bread Company, No-Bake Cookie Company, and Central Oregon Locavore. Please bring your own plate, cup, and eating utensils (we'll have some on hand if you forget).

**What to expect:** Good times, new friends, dirty hands, deep satisfaction, and a boots-on-the-ground education about local farming practices. Children are more than welcome with adult supervision. We love dogs, but please leave them at home for this event.

**What to bring:** Work gloves, closed-toe shoes, warm layers for the weather, snacks, water, sunscreen, and your own lunch bowl, cup, and spoon.

Just so we don't catch you by surprise, we will ask that you sign a waiver before participating. Waivers will be available at the farm.

**To sign up or ask for more information:** Please contact Owen Murphy at [omurphy@cooc.edu](mailto:omurphy@cooc.edu) or (541) 383-7766. Thank you!
