

To drop one or more courses, students should complete the drop section on a registration form and submit it in person at the Boyle Education Center or at the Redmond, Madras or Prineville Campuses. Or students may call Admissions and Records, 541.383.7500, to drop a course over the phone.

Short-Term Courses

- For a refund or credit for courses which span two weeks or less in a term: the class must be dropped before the first day of class.
- For a refund or credit for courses which span more than two weeks but not more than seven weeks in a term: the class must be dropped no later than three days after the class start date.

Full-Term Courses

Students may drop a course during the first two weeks of the term and receive a full refund, and no grade will appear on the student's transcript. Between the third week and the end of the seventh week of the term, students can drop a course; no refund is available, but no grade will appear on the transcript. No withdrawals will be accepted after this time or after a course has ended. Students who wish to withdraw from a full-term course between the eighth week of the term and the Wednesday before finals week must receive instructor approval. A "W" will appear on their transcript and no refund is available. Students should communicate with the instructor and refer to the course syllabus to determine the conditions under which a "W" can be granted. See the academic calendar on COCC's website for specific dates.

Complete Withdrawal

Students receiving federal financial aid may owe a repayment if they completely withdraw from courses. See the Financial Aid section for details.

Withdrawing Due to Active Military Duty

Active duty, guard and reserve military personnel (Army, Navy, Air Force, Marines and Coast Guard) who are enrolled at Central Oregon Community College and whose academic progress is interrupted due to deployment or activation mid-term may withdraw without tuition penalty. A student currently in a course will not be charged for the course and the registration will be voided with no indication on the transcript. Students must submit a copy of their military duty assignment orders verifying deployment or activation along with their request to withdraw from the course to Admissions & Records. Copies of the orders must also be submitted to the COCC VA Certifying Officer if any military benefits are being used. If the service member intends to return to school, the person will be readmitted with the same academic status as when last attended. This policy does not apply to retired military personnel or dependents.

Cancelled Classes

The College reserves the right to cancel or postpone a class. However, every effort will be made to cancel the class well in advance of the intended start date allowing students to reschedule or make other arrangements. Students registered in classes that are cancelled will be notified via their COCC email account and issued a full refund.

STUDENT RESOURCES

Central Oregon Community College offers a variety of academic and support services designed to foster student success. All prospective students are encouraged to contact Admissions and Records, 541.383.7500, or cocc.edu, for information and assistance in planning their education at COCC.

ACADEMIC ADVISING (CAP SERVICES)

Academic advising at COCC is provided by both CAP Services (Career services, Academic advising and Personal counseling) and by full time faculty members in each department. The purpose of academic advising is to guide students toward achieving their educational goals and to help students become self-reliant in understanding College policies and practices. Various advising requirements are in place to support this purpose.

Prior to registering for classes, new certificate- and degree-seeking (CDS) students and students who have not attended for more than a year participate in small-group advising sessions. After the first advising session, students are assigned an advisor in their declared major and emailed the advisor's contact information. Students are required to meet with their advisor to develop long-range academic and career plans before the next term's registration. All CDS students are required to meet with an advisor prior to registration if they participated in a group advising session the previous term, or as determined by the advisor and at least once a year.

COCC provides an online tool, GradTracks, to help students and their academic advisor track progress toward graduation. GradTracks allows students to see how completed courses are applied toward their certificate or degree and identifies requirements and courses still needed to graduate. Students can also explore other certificate and degree options. Students can access GradTracks by logging on to their Bobcat Web Account and selecting the Student Services & Financial Aid Tab; clicking on the GradTracks link and again on the GradTracks button. Students must be taking credit classes in order to view information in GradTracks.

Students are responsible for monitoring their advising requirement and for completing the advising steps in a timely manner. COCC recommends that students plan their advising appointments well in advance of the opening of registration. Students who want to find their assigned advisor's name and contact information and see if they have an advising requirement for an upcoming term, should look in their Bobcat Web Account. To do so, go to cocc.edu and select "Student Login." After logging in, select "Student Services and Financial Aid," then "Registration," and then the "Can I Register for Credit Classes?" page.

Students may request a specific advisor or a change in advisors if they change their major. Students not seeking a certificate or degree are not required to meet with an advisor, but are welcome to meet with a CAP Services advisor. Contact CAP Services at 541.383.7200 in Cascades Hall for advising options.

GRADING POLICY

End-of-term grades are available via the student's Bobcat Web Account only and will not be mailed or given out over the phone.

Only the grades in the following list may be assigned. All courses graded with a P, NP, W, X, I and IP do not apply to GPA.

To calculate GPA, multiply the number of credits for each course by the grade points for the grade received in that course (grade points listed below). Add these numbers together and divide by the total number of graded credits for that term (include "F" grades and exclude P, NP, W, X, I and IP grades).

Grade points	
A	4.0 outstanding performance
A-	3.7 superior
B+	3.3 excellent
B	3.0 very good
B-	2.7 good
C+	2.3 better than satisfactory
C	2.0 satisfactory
D	1.0 passing
<i>Note: Courses in which "D" grades are earned may not be used in the AAOT or to fulfill foundational requirements in other certificate or degree programs and may have limitations in specific certificate or degree programs. "D" grades are not considered passing for prerequisite courses.</i>	
F	0 not passing
P	pass: not computed in GPA, applies toward percentage of credits completed, may be awarded only in authorized classes
NP	no pass: not computed in GPA, may be awarded only in authorized classes
W	withdraw: not computed in GPA, must be assigned by Records Office
IP	course in progress
I	incomplete: not computed in GPA, will convert to "F" if requirements of the Incomplete Grade Contract are not met by the end of the following term
X	audit: not computed in GPA, does not meet graduation requirements; not eligible for financial aid

Pass (P)/No Pass (NP)

"Pass" is interpreted as a "C" or better. The "pass/no pass" option is used for certain courses where it is deemed inappropriate to use the regular grading system. Credits are awarded but not calculated in GPA.
