

A low-angle, upward-looking photograph of a person in winter gear (blue jacket, brown pants, backpack) balancing on a large, moss-covered log in a snowy forest. The person is looking up with one arm raised. The background is filled with tall, thin trees and a bright, overcast sky. The overall mood is adventurous and serene.

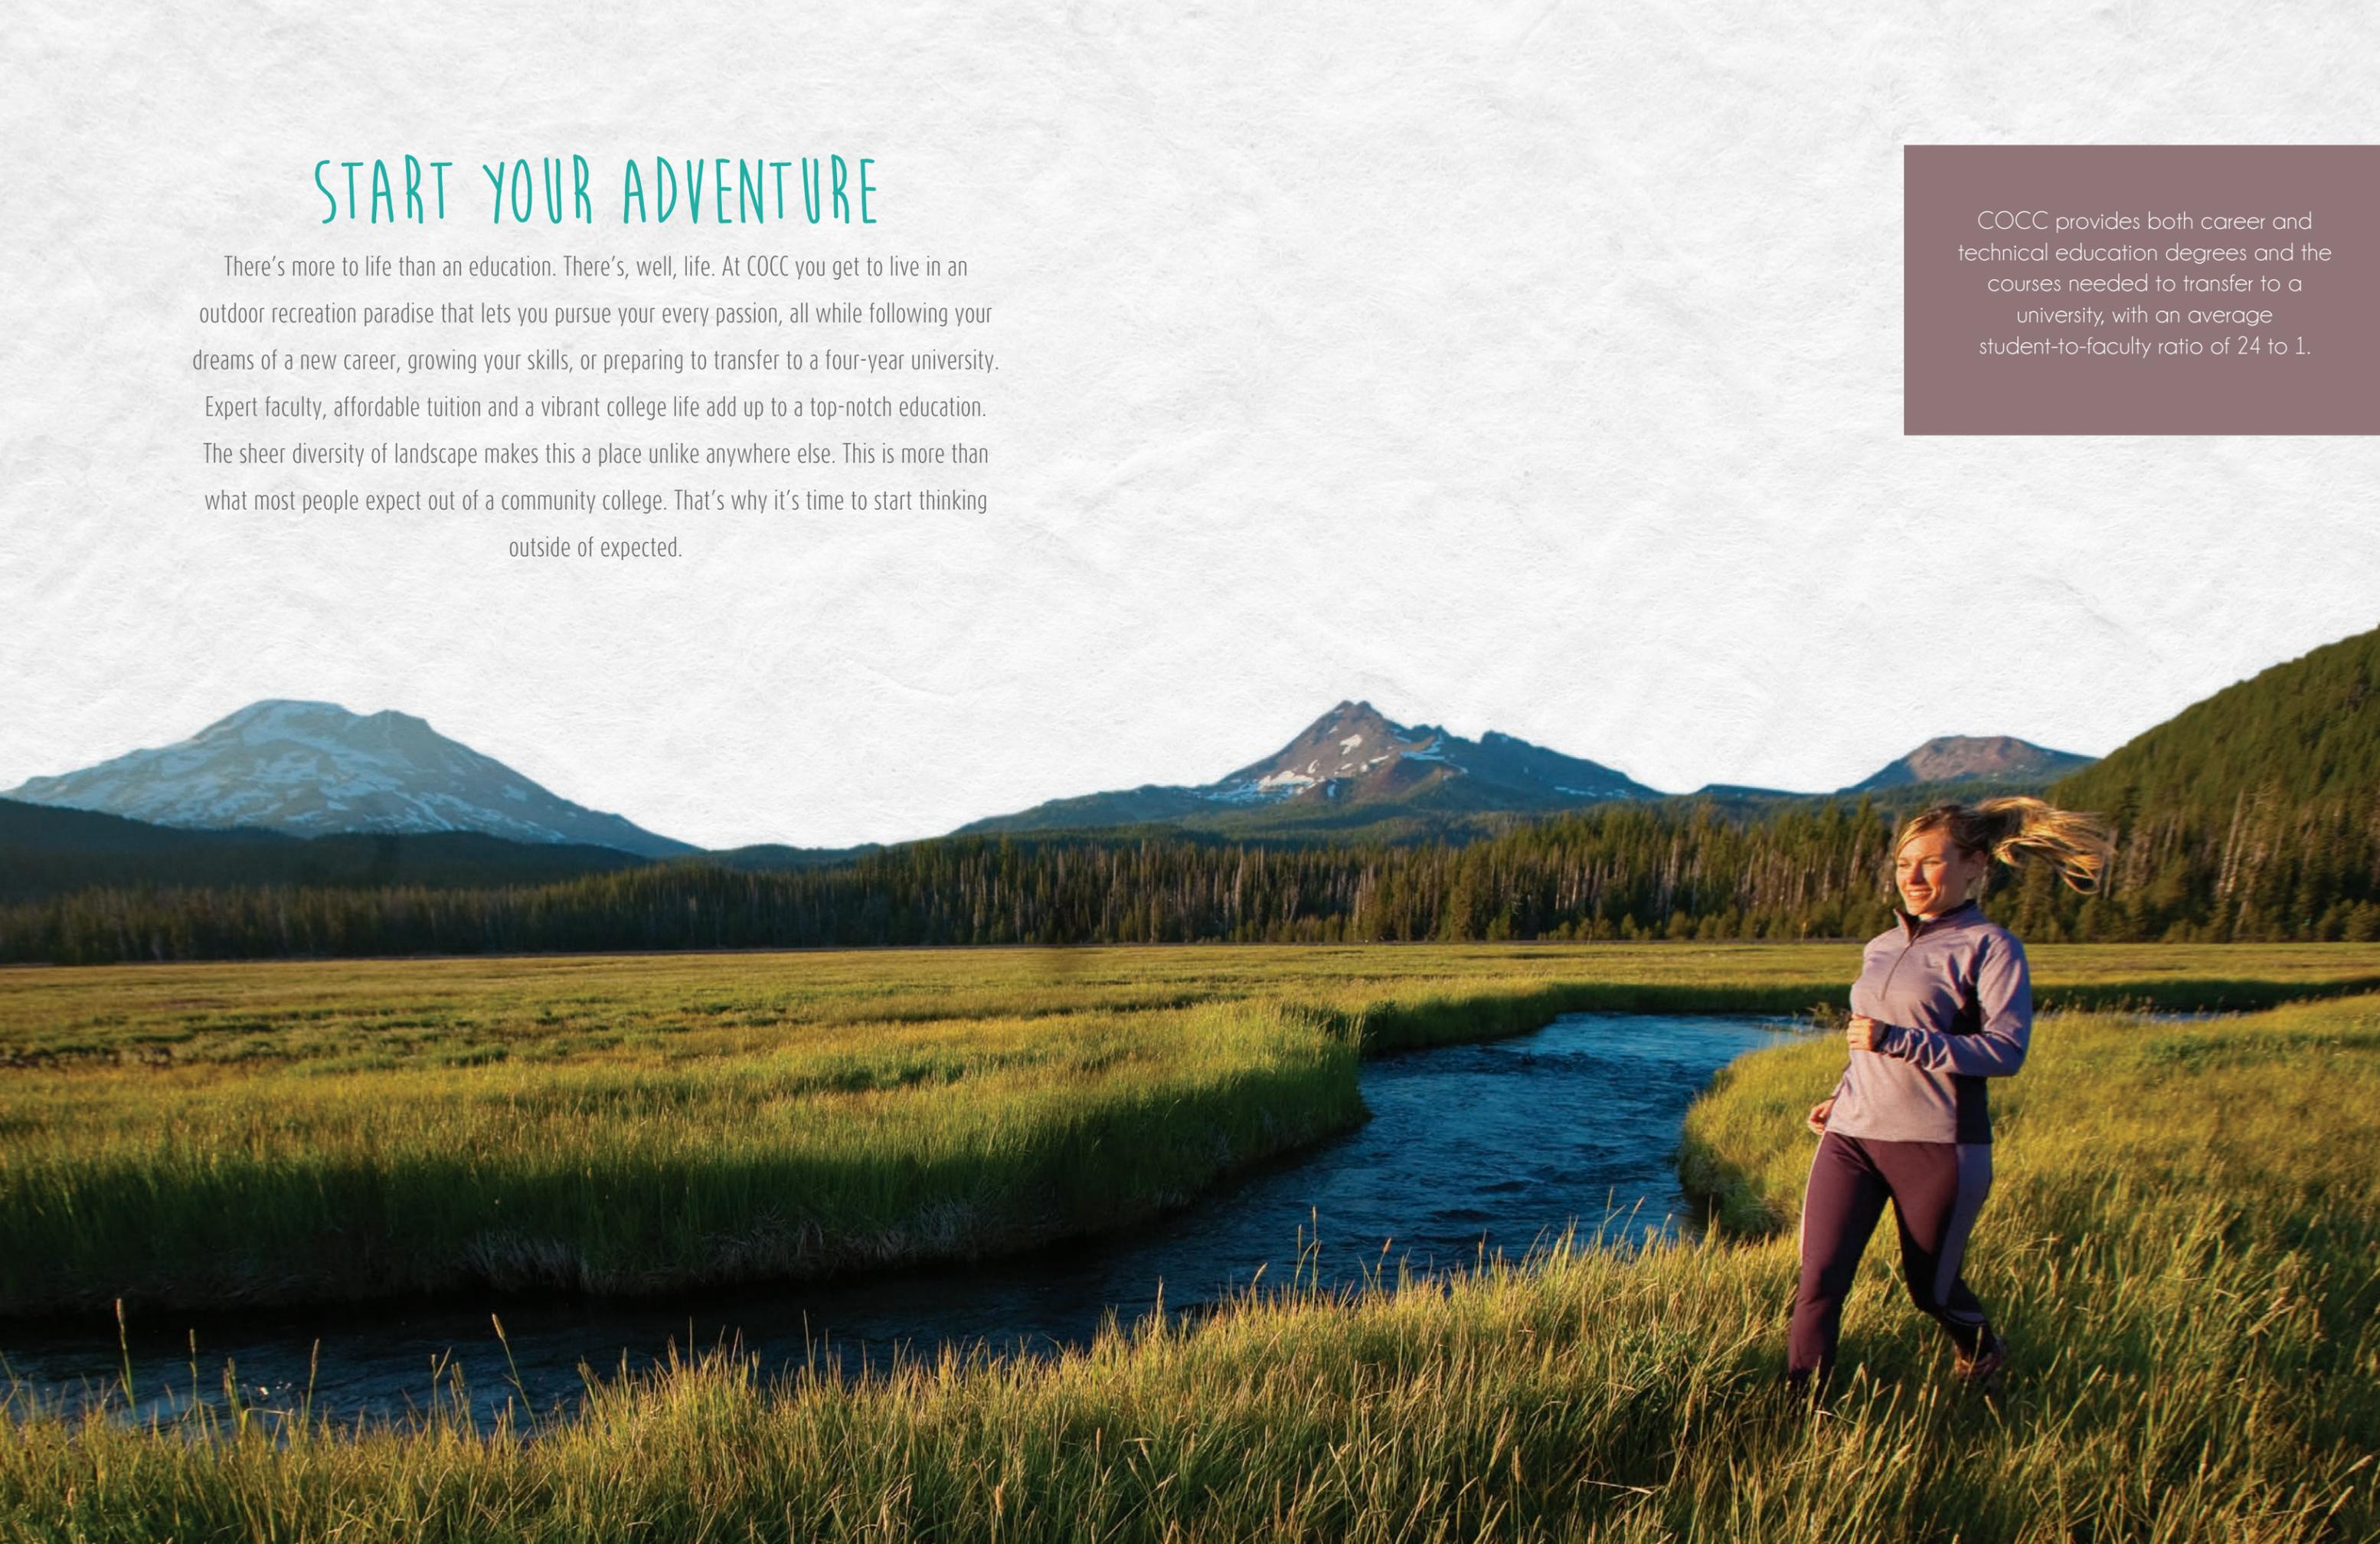

OUTSIDE OF EXPECTED

CENTRAL

COMMUNITY
COLLEGE

START YOUR ADVENTURE

There's more to life than an education. There's, well, life. At COCC you get to live in an outdoor recreation paradise that lets you pursue your every passion, all while following your dreams of a new career, growing your skills, or preparing to transfer to a four-year university. Expert faculty, affordable tuition and a vibrant college life add up to a top-notch education. The sheer diversity of landscape makes this a place unlike anywhere else. This is more than what most people expect out of a community college. That's why it's time to start thinking outside of expected.

COCC provides both career and technical education degrees and the courses needed to transfer to a university, with an average student-to-faculty ratio of 24 to 1.

More than 50% of COCC students study lower-division courses to transfer to a four-year university, while more than 30% pursue career and technical degrees to immediately join the workforce.

WORLD-CLASS EDUCATION

IN A WORLD-CLASS LOCATION

With expert faculty, state-of-the-art facilities, flexible degree options and affordable tuition, COCC offers an education comparable to any higher education institution in Oregon. All in a place without compare.

ACADEMIC PROGRAMS

COCC offers more than 75 degree and certificate programs. If it can be studied, chances are you can study it here. COCC offers both Career and Technical Education and Transfer options. See the back page for a complete list of our current programs.

TUITION

COCC offers one of the finest educations you can get for the money. Our tuition rates and fees are some of the lowest in the state both for in-district students and for students from Oregon and all neighboring states. And with plenty of opportunity for financial aid and scholarships, your out-of-pocket expenses can be even less, leaving more in your pocket to enjoy everything Central Oregon has to offer.

FACULTY

Nearly half our faculty for transfer classes have earned their doctorates, while our technical faculty bring years of professional, real world experience. But beyond expertise, our faculty are a collection of individuals as unique as Central Oregon itself.

Sean Rule
Associate Professor
of Math

Voted Delaware's "Best Musician" while in high school, Sean's musical career includes stints as the drummer for Plow United and other punk bands. When not in the classroom or playing a show, Sean can be found rock climbing, biking and cross-country skiing throughout the Cascades.

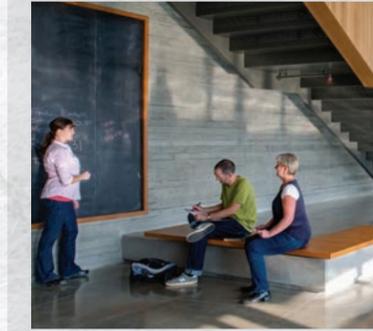

Kathy McCabe
Associate Professor
of Criminal Justice

A former Michigan police officer, Kathy worked on assignments such as hostage negotiator and field training officer. Now she passes her knowledge on to COCC students while organizing volunteer crowd control services for the Oregon Special Olympics, the American Red Cross and many of Bend's events.

LIVE THE STUDENT LIFE

Come to COCC for an education in every sense of the word. Some of the greatest lessons you'll learn will take place outside the classroom. We offer the activities you'd expect to find at a major university, and all the fun, new experiences and great people that come with it, for memories that will last you a lifetime.

FITNESS

With all the outdoor recreation that surrounds Central Oregon, you're going to want to stay on top of your game. The Mazama Gym has everything you need for your workout, including basketball courts, full weight room, aerobic equipment, climbing wall, dance studios and a multipurpose area. Outside you'll find a 400-meter track, soccer field and four tennis courts. The Exercise Physiology Testing Lab is here to provide full fitness testing and analysis to help you take your game to the next level.

SPORTS

Club sports and intramural teams are a great way to compete, have fun and meet new people. From team sports like soccer, rugby, basketball and volleyball to individual sports like triathlon and cross-country running, there's a sport for every student.

ON-CAMPUS HOUSING

Located just west of the Mazama Gymnasium and field, our new 330-bed Residence Hall gives students the chance to enjoy the full college experience. Rooms are fully-furnished and come with high-speed internet access, cable and all the comforts of home – without having to actually live at home.

MULTICULTURAL ACTIVITIES

Our Multicultural Center is a welcoming place for students of all backgrounds to connect, share and promote cross-cultural awareness. We create a stronger community through activities like book discussions, guest speakers, international films and live performances to give students the chance to share their heritage while learning about other's cultural differences.

CLUBS & ORGANIZATIONS

Student clubs give you a chance to pursue your passion or find a new one while meeting new people. From gaming and gardening to art and theater, we have a club for whatever your interest. Want to see your name in ink (or pixels)? The Broadside gives students the chance to report, write, edit or design for the print and online versions of our award-winning weekly newspaper.

COMPLETE SERVICES

Academic advising, personal counseling, career services, scholarships, a Veterans' center and all the other activities mentioned on these pages are available to help COCC students reach their goals and prepare for life after college.

WELCOME TO YOUR CAMPUS

Sure, COCC offers a first-class education. So do a lot of schools. But do a lot of schools also have downhill skiing and snowboarding, mountain biking, fly-fishing, trail running, kayaking, cross-country skiing, thirty golf courses and stand-up paddleboarding just minutes from campus? We didn't think so. Central Oregon offers a dynamic landscape to pursue every passion under the sun. Teeming forests, soaring mountains, dozens of lakes and rivers and one of the world's most popular rock-climbing destinations are all here and waiting. After you finish your homework, of course.

HIGHWAY 126

Smith Rock

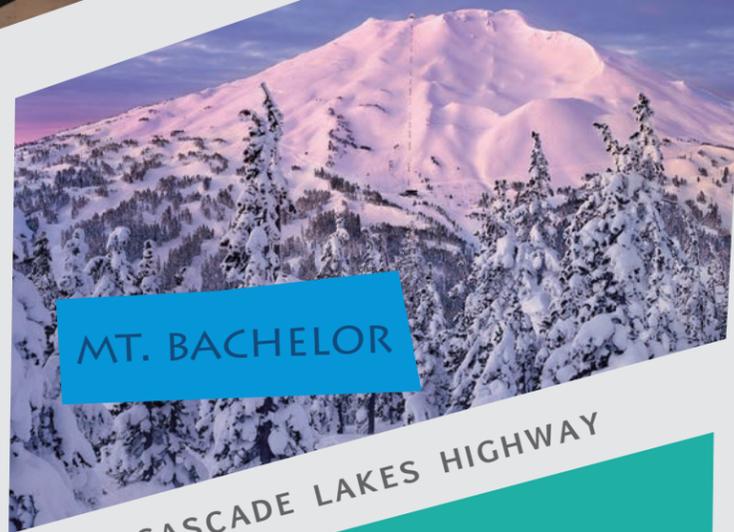

BEND CAMPUS. Located on Bend's west side, the main campus is home to many of our transfer degree classes, professional degree programs and newest buildings, including the state-of-the-art Jungers Culinary Center, the Health Careers Center and our Science Center. Set among the peace and quiet of a juniper and pine-studded forest, spectacular views of the Cascades can be found from nearly every vantage point on campus. Our Bend campus is just minutes from Downtown Bend and the Old Mill District, Mt. Bachelor, the Deschutes National Forest, the Deschutes River and the Cascade Lakes.

HIGHWAY 97

Bend

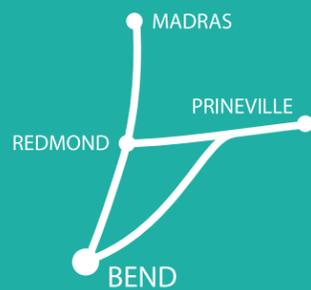

Bend provides the best of small-town charm and convenience with big-city entertainment and amenities. Coffee shops, movie theaters, boutique shopping and more microbreweries than you can count are all just a short bike ride away in downtown Bend and the nearby Old Mill shopping district. Major retailers like REI, Costco, Macy's, Target, Fred Meyer, Wal-Mart and Best Buy are all just a short drive away.

MT. BACHELOR

CASCADE LAKES HIGHWAY

COCC has campuses throughout Central Oregon including Bend, Redmond, Madras and Prineville.
