

Oregon State UNIVERSITY

DIRECT TRANSFER ARTICULATION AGREEMENT

between

CENTRAL OREGON COMMUNITY COLLEGE and OREGON STATE UNIVERSITY

Effective: Summer Term 2014 through Spring Term 2015

A.S. in Exercise Science at Central Oregon Community College to B.S. in Exercise and Sport Science at Oregon State University

Students transferring from Central Oregon Community College (COCC), having completed their Associate of Sciences Direct Transfer (AS-DT) degree in the major listed above, and having completed the courses listed in this agreement, will be granted the course equivalencies in the Bachelor of Science (B.S.) in Exercise and Sport Science degree program at Oregon State University (OSU). Students will be granted junior standing. All of the lower division Baccalaureate Core course requirements (Skills and Perspectives), and most of the lower division courses required in the major will have been fulfilled. This articulation agreement applies to students transferring from COCC either to the OSU-Main campus (in Corvallis) or to the OSU-Cascades branch campus (in Bend).

This agreement is based on an evaluation of the rigor and content of the degree requirements at Central Oregon Community College and the Baccalaureate Core requirements at OSU along with the Bachelor of Science (B.S.) in Exercise and Sport Science degree requirements.

This agreement is subject to yearly re-evaluation by both institutions for continuance. Changes to the degree / option requirements, or to courses at either institution, will necessitate an addendum that will be attached to this articulation agreement.

General Education/Biological and Physical Science requirements/Synthesis Coursework

OSU Baccalaureate Core	OSU Courses	Credit Hours	Community College Equivalent (Courses)	Credit Hours	Notes/ Exceptions:
SKILLS COURSES:					
Writing I	WR 121	3	WR 121	4	
Writing II	WR LDT or WR 327 and WR LDT (1)	4	WR 122 or 227	4	OSU's WR 327 will count as lower division
Writing III / Speech	COMM 111, COMM 218 or COMM LDT	3	SP 111, 218 or 219	3	
Mathematics	MTH 111 or MTH 112*	4, 4	MTH 111 or MTH 112*	4,4	MTH 112 is required for Major.
Fitness	HHS 231/(241 or PAC course)	2/1	HHP 295	3	
PERSPECTIVES COURSES:					
Biological Science (with lab)	See approved BAC core list	4	See approved BAC core list*	4	
Physical Science (with lab)	CH 231/261, CH 232/262, CH 233/263	15	CH 221, CH 222, CH 223	15	The full sequence is required for the major.
One additional Biological or Physical Science Course (w/ lab)	See approved BAC core list	5	See approved BAC core list*	5	
Cultural Diversity	See approved BAC core list	3	See approved BAC core list*	3	
Literature and the Arts	See approved BAC core list	3	See approved BAC core list*	3	
Social Processes and Institutions	See approved BAC core list	3	See approved BAC core list*	3	
Western Culture	See approved BAC core list	3	See approved BAC core list*	3	
DIFFERENCE, POWER, AND DISCRIMINATION COURSE (3)	See approved BAC core list	3	See approved BAC core list*	3	
TOTAL Credit Hours		56		57

EXSS Core Courses

Oregon State University (Courses)	Credit Hours	Community College Equivalent (Courses)	Credit Hours	Notes/ Exceptions:
EXSS 131 Intro to EXSS	1	HHP 131 Introduction to EXSS	3	
EXSS 324 Exercise Physiology	4	HHP 261 Exercise Physiology	4	COCC's course will count as lower-division credits at OSU
EXSS 370 Psychology of Sport and Physical Activity	3	HHP 270 Sport and Exercise Psychology	3	COCC's course will count as lower-division credits at OSU
TOTAL Credits	8		10	

Required Supporting Courses

Oregon State University (Courses)	Credit Hours	Community College Equivalent (Courses)	Credit Hours	Notes/ Exceptions:
CH 231, CH 232, CH 233 *General Chemistry and CH 261 Laboratory for CH 231 CH 262 Laboratory for CH 232 CH 263 Laboratory for CH 233	4,4,4 and 1,1,1	CH 221, CH 222, CH 223 General Chemistry I, II & III	5,5,5	
MTH 112 *Elementary Functions	4	MTH 112 Trigonometry	4	
BI 231, 232, 233 Human Anatomy and Physiology	3,3,3	BI 231, BI 232, BI 233 Human Anatomy and Physiology I, II & III	4,4,4	
BI 241, 242, 243 Human Anatomy and Physiology Lab	2,2,2			
H 100 Introduction to Public Health	4	HHP 100 Introduction to Public Health	4	
Total Credits	38		35	

*Chemistry & Math will meet both Baccalaureate Core and major requirements.

EXSS Courses Beyond the Core

Oregon State University (Courses)	Credit Hours	Community College Equivalent (Courses)	Credit Hours	Notes/ Exceptions:
EXSS 325 Fitness Assessment and Exercise Prescription	2	HHP 262 Training Theory and Application	3	COCC's course will count as lower-division credits at OSU
EXSS 333 EXSS Practicum	2	HHP 280 Practicum in EXSS	2	COCC's course will count as lower-division credits at OSU
TOTAL Credits	4		5	
Total Credit Hours (Major)	50		50	

Other courses that may serve as electives

Oregon State University (Courses)	Credit Hours	Community College Equivalent (Courses)	Credit Hours	Notes/ Exceptions:
EXSS 158 Care and Prevention of Athletic Injuries	3	HHP 259 Care and Prevention of Athletic Injuries	3	
No OSU equivalent		HHP 266 Nutrition for Health	3	
No OSU equivalent		HHP 260 Anatomical Kinesiology	4	
PH 201 General Physics	5	PH 201 General Physics I	5	PH 201 is required for the PTAH option on Corvallis campus
PSY 201 General Psychology	3	PSY 201 General Psych.: Mind and Brain	4	PSY 201 is required for the PTAH option on Corvallis campus

Additional Comments:

The OSU School of Biological and Population Health Sciences (BPHS) has collaborated with the Health and Human Performance Department at Central Oregon Community College to develop this articulation agreement. The goal of the agreement is to facilitate enrollment of students from the COCC Exercise Science program into the OSU EXSS bachelors degree program at OSU-Main or OSU-Cascades. In keeping with academic transfer policy, this articulation agreement proposal is submitted to the Curriculum Council for accepting 0 credits from COCC specified above for 0 upper-division credits in EXSS.

Faculty in BPHS have reviewed the syllabi of the above COCC courses and determined that they are sufficiently equivalent to the OSU courses in content, rigor, faculty expertise, and course resources (e.g., textbooks, laboratories) to warrant approval of the course equivalencies configured above. This agreement recognizes and builds upon the education and training the COCC students have received and avoids redundancies and duplication in the coursework they take to complete their bachelor degree.

NOTES:

- Generally, no course can be used to meet more than one requirement.
- A minimum of 180 credits are required for graduation. 60 must be upper division (300 and 400 numbered courses).
- A maximum of 124 credits earned at a community college may be applied toward an OSU baccalaureate degree.
- Only courses with letter prefixes and numbers above 100 are accepted at OSU. A total of 12 credit hours of professional technical courses are transferable as general elective, pass credits.
- Departments, programs, schools, or colleges at OSU may restrict the courses used by their major students to satisfy each general educational component.
- OSU will accept D grades. However, EXSS adheres to a Minimum Grade Policy of C- for any course used in the major (Exercise Science Core, Required Supporting Courses, and EXSS Courses Beyond the Core above).
- This articulation guide is subject to change without notice. Students should visit with an OSU advisor if they have any questions.
- Application for admission to OSU is on a rolling basis with the deadline one month prior to the start of the term.
- GPA for graduation: 1) Cumulative GPA at OSU must be 2.00; 2) last 45 credits at OSU must be 2.00; and 3) two of the last three terms must be 2.00.
- GPA for EXSS retention: 1) minimum of a 2.25 GPA in EXSS option courses, and 2) minimum of 2.50 GPA in all EXSS-prefixed courses.
- Out of the last 75 credits, 45 must be taken at OSU or petition to accept transfer.
- Courses which are listed in this agreement as specific requirements cannot be taken S/U.
