CENTRAL OREGON COMMUNITY COLLEGE

2021

CENTRAL OREGON
community college

Dear Graduates

First and foremost, we want to offer you our heartfelt congratulations on your achievement. You have earned your degree or certificate, and you should be very proud. In any year, it is a challenge to stay focused and reach your goal. This year, that challenge was amplified because of the ongoing global pandemic.

While this year's drive-thru ceremony is unique among the traditional Commencements that Central Oregon Community College has held in the past, we are grateful and excited to be able to celebrate you and your accomplishment in person.

Once again, on behalf of our Board of Directors, our outstanding faculty, and our dedicated staff,
CONGRATULATIONS!

Central Oregon Community College

2021

This year, Central Oregon Community College is awarding approximately 700 degrees and certificates. These students join more than 20,000 COCC graduates now living throughout the region, the state, the nation, and even the world.

Founded in 1949 as part of the Bend School District, COCC is the oldest community college in the state of Oregon. A total of 109 students registered for one or more of the nine evening courses offered that fall. The College District was formed in 1959 and was officially established as the Central Oregon Area Education District in 1962. The Bend campus opened on Awbrey Butte in 1964. The Redmond Campus began serving students in 1997 and campuses in Madras and Prineville opened in 2011.

Just over 9,000 students took day, evening, and online credit classes in 2020-2021, while another 6,400 District residents enrolled in Continuing Education and Professional Development courses.

COCC is a vital part of Central Oregon.

Each student with a perfect 4.00 GPA has an asterisk following his or her name in the commencement program.
