TRANSFER AND ADVISING INFORMATION

Any student having the Associate of Science Oregon Transfer – Business (ASOT – Business) degree recognized on an official college transcript will have met the lower division General Education requirements of baccalaureate degree programs of any Oregon public university.

Students transferring under this agreement will have junior status for registration purposes. Course, class standing, or GPA requirements for specific majors, departments, or schools are not necessarily satisfied by an ASOT – Business degree.

All courses should be aligned with the student’s intended program of study and the degree requirements of the baccalaureate institution to which the student plans to transfer. Admission to an Oregon public university is not guaranteed upon completion of the ASOT – Business degree. A student is encouraged to work with an advisor in the selection of courses within the ASOT – Business degree for alignment with the institution to which the student intends to transfer.

Students should check with each school to ensure that the latest transfer information is used when designing their program.

Specific Oregon public universities have identified additional lower-division business requirements to accompany the ASOT – Business.

Students planning to transfer to OSU, Cascades should make the following choices to meet OSU requirements: BA 250, MTH 111, MTH 241, MTH 243, MTH 244 and SP 111 or SP 114 (instead of other SP options listed).
