ADVISING NOTES

Students are offered two opportunities to enter the Massage Therapy program each year including a Fall day-program start and a Spring evening-program start. Each program start requires the block of courses to be completed before moving to the next sequence of related courses. Students may take non-massage therapy courses (any course that does not begin with a LMT prefix) at any time prior to enrollment into the LMT program or during enrollment in the LMT program if time is available.
