

Nursing (RN)

Associate of Applied Science

PROGRAM DESCRIPTION

Students enrolled in Nursing can exit after the first year with preparation to be a practical nurse (PN) or after the second year with preparation to be a registered nurse (RN). The Practical Nursing certificate qualifies students to take the NCLEX-PN national licensure examination and apply for licensure as a practical nurse (PN) from a State Board of Nursing. Students who successfully complete the first year of nursing courses may continue into the RN sequence of courses without additional application requirements.

ADVISING NOTES

Students seeking transfer admission into COCC's Nursing program must meet with the pre-admission advisor and advanced placement program coordinator to determine eligibility prior to entry. Students transferring out of COCC should know that often only selected credits from a community college program are considered transferrable to public or private baccalaureate institutions.
