

College NOW **GRADING POLICY**

End-of-term grades are available via the student's online student account and are not mailed or given out over the phone. Only the grades in the following list may be assigned. Any courses graded with a W do not apply to a student's GPA. To calculate GPA, multiply the number of credits for each course by the grade points for the grade received in that course (grade points listed below). Add these numbers together and divide by the total number of graded credits for that term (include "F" grades and exclude P, NP, and W).

Grade points

A	4.0 outstanding performance
A–	3.7 superior
B+	3.3 excellent
B	3.0 very good
B–	2.7 good
C+	2.3 better than satisfactory
C	2.0 satisfactory
D	1.0 passing
F	0 not passing

W withdraw: not computed in GPA; assigned if a student submits a drop from between the Drop and Withdrawal dates

If a student is unable to complete course requirements during the given term for reasons acceptable to the instructor, the teacher may call the College Now office for other grading options.

High school teachers follow the COCC department grading scale given by their faculty mentors in calculating grades.

Grade Change

The responsibility of assigning grades for College Now classes is the high school teacher's with final approval by COCC faculty. A student who disputes the final grade (A–F) in a course should meet with the teacher to review the grade. If not satisfied, the student may meet with the College Now faculty mentor or department chair, who can further review the grade with the teacher. If the student believes that the grade reflects capricious grading in some form, the student has recourse through the [College's grade appeal procedure](#).
