

COMMUNITY ENRICHMENT - LIST OF COCC/COMMUNITY PARTNERSHIPS

In 2019 The Community Enrichment Goal Work Group conducted a survey to help identify partnerships between COCC and the community. Sixty-two individuals, representing various academic and administrative leadership roles at COCC, were surveyed and identified 575 partnerships, with some partnerships identified by more than one individual. **See the footnote below for the definition of partnership.*

***Definition of partnership:** A formal partnership will include all of these characteristics:

- Documented/written with signed approval
- Mutually beneficial College participant represents the college, not the individual
- Clear stated expectations and scope for partnership with a mutual understanding
- Clear roles and responsibilities identified
- Known purpose
