

## Arts & Crafts Book Rack

Variations abound with this piece. It can be made small enough to fit on a table or large enough to not be portable. It can be permanently glued together or be held together by removable wedges allowing it to be packed flat.

Materials – Any hard wood of your choosing. Finish or paint.

Tasks – Straight cuts, curved cuts, rabbeting, dadoing, morticing, planeing, boring. It is recommended that a template be made for the sides.

Tool List – Measuring and Marking Tools

Power Tools – Tablesaw, Bandsaw, Router

Hand Tools – Saws, Planes, Spokeshaves, Chisels, Drills
