RE: Training Program Approval: Oregon AHEC Spanish Health Care Interpreter Training

Dear Nancy Jumper,

Congratulations! Oregon AHEC Spanish Health Care Interpreter Training program has been reapproved to provide Health Care Interpreter (HCI) training in Oregon. Your training curriculum met our training standards described in OAR 333-002-0060.

Oregon AHEC Spanish Health Care Interpreter Training has been reapproved by the Oregon Health Authority (OHA) to train HCIs from July 1, 2017 to July 1, 2020.

During the three year period, the organization agrees to:

- Make this written notice of OHA approval available to any student or partnering organization that requests a copy and, to the extent possible, display this notice at the main training facility;
- Issue a certificate of completion that includes the completion date to all successful program graduates;
- Report to OHA changes to the program within 30 days of the decision to make the change;
- Apply for training program renewal at least 6 months prior to the expiration of approval;
- Allow OHA to conduct training program site visits during the approval period or renewal process.

Please direct any questions about your training program application, or other program-related concerns to Kweku Wilson, the HCI Program Coordinator or to Shelley Das, the Equity & Policy Manager.

Sincerely,

Shelley Das  
Equity & Policy Manager
