Fine Woodworking Photo

These two projects are as different internally as visually. One proudly shows off its joinery while the other hides any hint of it. Dimensions can be varied but the techniques remain the same.

Materials – Any hardwood of your choosing. Dowels- lots of them.

Tasks – (Include some but not all) Straight cuts, curved cuts, , morticing, chopping, planeing, boring, boring and more boring.

Tool List – Measuring and Marking Tools

Power Tools – Tablesaw, Bandsaw, Router, Drills

Hand Tools – Saws, Planes, Spokeshaves, Chisels, Doweling jigs
