

# ATTENTION PROFESSIONALS WITH DISABILITIES

## EARLY TO SENIOR LEVEL CAREER OPPORTUNITIES AVAILABLE

Are you a professional with a disability seeking promotional opportunities or a recent college graduate seeking to put your education to work?

Bender Consulting Services has 20 years of experience aligning companies and federal agencies with professionals with disabilities in a variety of competitive career fields across the United States.

A businesswoman with disabilities, President and CEO, Joyce Bender is a leader in the disability community and the host of Disability Matters with Joyce Bender on [www.voiceamerica.com](http://www.voiceamerica.com). Since 1995, Bender has focused on disability employment solutions and the belief that competitive employment means freedom and equality for people with disabilities.
