Institutional Syllabus

This institutional syllabus includes policies and information that apply to all your COCC classes. Make sure that you read this in addition to the specific syllabus for each of your classes.

Americans with Disabilities Act (ADA) Statement

Students with documented disabilities who may need accommodations, who have any emergency medical information the instructor should know of, or who need special arrangements in the event of evacuation should make an appointment with the instructor as early as possible but no later than the first week of the term. Students may also wish to call Disability Services in Barber Library at 541-383-7583 or email disabilityservices@cocc.edu.

Basic Needs

Any student who is experiencing difficulty with transportation, affording materials and supplies for classes, accessing food on a regular basis, and/or lacking a safe place to live and believes this may affect their class performance is encouraged to contact COCC’s college and career success coach at 541-383-7592 or step@cocc.edu to discuss eligibility for resources available at COCC and in the community.

In addition, free personal counseling is available to COCC students, and there are resources, including financial aid, available for undocumented students.

Here is a useful link to further resources for basic needs.

Class Recording Policy

Students must consult with the instructor before making any auditory or visual recording of any portion of the class. Recording of class sessions will be allowed only with prior permission and within parameters set by the instructor. Recordings are for personal academic use only. It is a violation of Oregon state law and the Family Education Rights and Privacy Act (FERPA) to share or post any information that identifies a student or students from a class recording. Students with an accommodation regarding class recordings from the Office of Disability Services will make this known to their instructor.
