

# Need Help With Childcare Expenses?

The Turner Supplemental Childcare Award is a program to supplement the costs of childcare for students attending COCC for the 2017-18 academic year. Please understand that this award is only a supplement and not designed to cover all childcare expenses.

Childcare providers are not required to be licensed/certified or registered homes through the State of Oregon. The award will supplement the cost of childcare for children from birth to 12 years old. If child is 13 years or older and needs special care, please contact the Financial Aid Office.

You will need to apply by the deadline each term to be considered for assistance. Funding is limited and not all applicants are guaranteed to receive awards. Awards will be issued the week after the deadline. The Financial Aid Office will notify you of the decision by COCC email.

You must answer **ALL** questions on this application. Incomplete applications will not be considered.
