

On the Free Application for Federal Student Aid (FAFSA®) for 2019-20, you indicated that you will be working on a Master’s or Doctorate program during the academic year. A ‘yes’ answer to this question makes you ineligible for federal programs as COCC does not offer graduate programs. Students must be pursuing an aid eligible program.

**During the school year 2019-20**, will you be working on a Master’s or Doctorate program (such as an MA, MBA, MD, JD, PhD, EdD, or graduate certificate, etc)?

Yes

No

**Note:** If you have a prior Bachelor’s degree, you are not eligible for a Pell Grant but if you are currently enrolled or expect to be enrolled in courses that could lead to a degree or certificate at Central Oregon Community College, you are **not** in a graduate program.
