OSU Cascades Students

Our records indicate that you have been admitted as a degree-seeking student at the OSU – Cascades Campus.

As part of the financial aid consortium agreement between COCC and the universities of the OSU – Cascades Campus, your financial aid will be processed through the university that will be granting your degree. This agreement allows the universities to count COCC credits in addition to your Cascades Campus credits to determine your financial aid enrollment status.

If you have not already applied for financial aid at the university that will be granting your degree, we recommend that you do so without delay.

If you wish to withdraw from your admission to OSU – Cascades, please contact OSU – Cascades at 541.322.3100 to complete a *Change of Admission Status* form. Federal financial aid is not available from COCC for the upper-division coursework of any school.

In certain circumstances, you may want to declare COCC as your home school for financial aid purpose. Please contact OSU-Cascades for more information about a *Home Declaration* form.

Because you listed COCC on your FAFSA® for 2019-20, you may occasionally receive correspondence regarding financial aid from us throughout the year. Please disregard irrelevant correspondence.
