

Your Free Application for Federal Student Aid (FAFSA®) was selected for review in a process called "Verification". In this process, the Financial Aid Office will compare information from your FAFSA® with the financial documents you provide and make any necessary corrections. Corrections may affect your eligibility for aid. The review process may take up to 4 weeks to complete after all documents are submitted. Additionally, the Financial Aid Office may request further information to complete the review process and financial aid may be held until all requested documentation is submitted and verification is complete.
