

# Scholarship Opportunities for ECE Students

You are eligible to receive financial support from the Oregon Statewide Scholarship Program if:

- You are in the Oregon Registry and currently hold a minimum of Step 3 and no more than Step 8.5

AND

- Work directly with children at least 20 hours per week in an Oregon Office of Child Care licensed (Certified or Registered) childcare facility.

The scholarship will pay for up to 4 credits per term in the field of Childhood Care and Education. Please visit <https://www.pdx.edu/occd/> to download the scholarship application form.

To apply you need to send us the following two things:

- Your completed application, AND
- Proof of registration in an eligible ECE-related course

Email your application to [occdsch@pdx.edu](mailto:occdsch@pdx.edu) or fax it to (503) 725-5430.

The **deadline** for summer **term is June 14**, but remember, **you can receive the scholarship every term if you are still between Oregon Registry Steps 3 and 8.5, but you must re-apply each term.**

Don't know what Oregon Registry Step you are at? No worries! Please contact our office at [occdsch@pdx.edu](mailto:occdsch@pdx.edu). Remember, completion of just a single 3 credit class (from our list of approved classes) is all you need to receive Step 3.
