♦ Under Delta Dental Plans 1 and 5, benefits start at 70% the first plan year then increase by 10% each plan year (up to a maximum of 100%) provided the individual has visited the dentist at least once during the previous plan year. Switching between incentive plans (1 or 5) and other non-incentive plans will have an effect on benefit level.

‡ Under the Willamette Dental Plan, services must be provided by a Willamette Dental Group provider in order for benefits to be payable. See handbook for details.

Ω The Delta Dental Exclusive PPO plan has no out-of-network benefit. Services performed by providers outside the Delta Dental PPO network are not covered unless for a dental emergency. Covered emergencies consist of problem focused exam, palliative treatment and x-rays. All other services are considered non-covered.

** Pre-Orthodontic Service fee of \$150 is credited toward the orthodontic benefit if patient accepts treatment plan.

*** Preventive care and orthodontia do not accrue to this maximum.

¹ Posterior fillings paid to amalgam fee.

² Fillings are covered at 100% for all amalgam tooth surfaces, composite anteriors and one-surface composite posteriors. Patients can request composite fillings, which are considered a buy-up and additional fees apply. Please contact Kaiser Permanente directly for actual fees.

³ The office visit copayment is waived for participants in the Chronic Condition Dental Management program for specific preventive services.

⁴ Replacement of lost or stolen appliance once every 2 years; replacement or repair of broken appliance as needed.
