Switching between incentive plans (1 or 5) and other non-incentive plans will have an effect on benefit level.

[1] The Delta Dental Exclusive PPO plan has no out-of-network benefit. Services performed by providers outside the Delta Dental PPO network are not covered unless for a dental emergency. Covered emergencies consist of problem focused exam, palliative treatment and X-rays. All other services are considered non-covered.

[2] The Kaiser Dental Plan does NOT require enrollment in a Kaiser medical plan. Services must be provided by a contracted Kaiser provider in order for benefits to be payable. See handbook for details.

[3] Under the Willamette Dental Plan, services must be provided by a Willamette Dental Group provider in order for benefits to be payable. See handbook for details.

* For Kaiser Permanente and Willamette Dental Group plans: Office visit copayment applies at each visit, in addition to any plan copayments for services.

** Pre-Orthodontic Service fee of $150 is credited toward the orthodontic benefit if patient accepts treatment plan.

*** Preventive care and orthodontia do not accrue to this maximum.

† For Kaiser Permanente and Willamette Dental Group plans: Office visit copayment applies at each visit, in addition to any plan copayments for services.

‡ The office visit copayment is waived for participants in the Chronic Condition Dental Management program for specific preventive services.

§ Replacement of lost or stolen appliance once every 2 years; replacement or repair of broken appliance as needed.

∥ Dental implant-supported prosthetics (crowns, bridges, and dentures) are not a covered benefit under the Willamette Dental Group plan.
