2. The agreement expressed herein in writing constitutes the entire agreement between the parties. It is understood that the specific provisions of this agreement shall be the sole source of rights of the Union and the rights of any employee covered by this agreement, and shall supersede all previous oral and written agreements between the College and the employees.

ARTICLE 1: RECOGNITION

The Board of Directors of Central Oregon Community College, Bend, Oregon (hereinafter referred to as “the College”) recognizes the Oregon School Employees Union, Chapter No. 700 (hereinafter referred to as “the Union”) as the sole and exclusive representative for the following bargaining unit:

All employees of Central Oregon Community College performing the work of Adult Basic Skills Instructor excluding all instructional lab assistants, supervisory, confidential, temporary (with no expectation of continued employment) and substitute employees. Temporary employees hired term by term for more than three consecutive terms will become members of the unit with the fourth consecutive term appointment. It is understood that this unit description includes both full- and part-time employees.

ARTICLE 2: NON-DISCRIMINATION

Central Oregon Community College and the Union agree that there will be no discrimination or harassment on the basis of age, disability, sex, ethnicity, marital status, national origin, color, race, religion, sexual orientation, genetic information, veteran status, or any other classes protected under Federal and State statutes in any educational programs, classes activities or employment.

1. In order to operate its business, the College, in its sole discretion, retains and shall have the following exclusive rights: to determine the number, location and type of facilities; to determine the type and/or quality of services rendered; to determine the methods techniques and equipment utilized; to hire, supervise, evaluate, discipline, discharge, promote, demote, layoff, transfer and recall the workforce; to assign work and change, combine, create or abolish job classifications and job content; to establish and make known reasonable work rules and safety rules for all employees; to contract; and to determine the number of employees, including the number of employees assigned to any particular operation or shift.

2. Any of the rights, powers, authority and functions the College had prior to the negotiation of this agreement are retained by the College and the expressed provisions of this agreement constitute the only limitations on the College's right to manage its business. The College not exercising rights, powers, authority and functions reserved to it, or its exercising them in a particular way, shall not be deemed a waiver of said rights, powers, authority and functions or its right to exercise them in some other way not in conflict with a specific provision of this agreement.

3. All other traditional rights of management are also expressly reserved to the College. The express provisions of this agreement constitute the only limitations upon the College's right to manage its business as set forth in the preamble.

ARTICLE 4: UNION RIGHTS

1. **Union Officers.** The President of the Union (or designee) shall certify the names and offices of each officer of the local Union and any other members of the unit with specialized assignments involving interaction with the College, to the President of the College (or designee) within five (5) days following the election or appointment. ii. Upon written receipt of the notice from the Union, the Union President and the College President (or designee) shall jointly request a list of five (5) supplied from the American Arbitration Union. The toss of a coin shall determine whether the College or the Union strikes the first name. The winner of the toss shall choose who strikes the first name, striking thereafter alternating between the parties. One day shall be allowed for the striking of each name; this striking process shall continue until only one name remains on the list; that person shall be the designated arbitrator.

iii. The arbitrator shall set a time and the place for a hearing of the grievance that is mutually satisfactory to the College and the Union. The arbitration hearing shall be conducted according to the Voluntary Arbitration rules of the American Arbitration Union.

vi. All costs and expenses (other than the arbitrator’s fee and expenses), including but not limited to providing witnesses and evidence, shall be borne by the party incurring the costs, requiring such witnesses, or producing such evidence. Department support will be available when needed to find a substitute for an absence.

**Unused sick leave.** Unused sick leave shall continue to accrue without limit. **ARTICLE 16: ASSIGNMENT OF ABS COURSES**

1. The decision to assign, re-assign, and schedule ABS courses to Bargaining Unit Members shall be based on skill, ability, qualifications, recency of experience, training, length of service, and work record as determined by the College unless otherwise modified by the terms of this agreement.

2. Length of service is defined as the number of years as an instructor within the ABS program to include time off through approved leaves, and lapses in employment of not more than two years, excluding academic year breaks and termination or resignation from the College.

[19]
ARTICLE 17: PROCESS FOR NOTIFICATION OF AND REQUEST FOR ABS COURSES

1. On-contract time periods (179-day bargaining unit members)
   a. When ABS (ABE/ASE/ELL) courses become available during on-contract time periods due to both anticipated and unanticipated circumstances (including temporary courses), all bargaining unit members shall be notified as soon as the need is identified and prior to any outside recruitment. Bargaining unit members who request these courses within five (5) working days of notification will be considered based on the criteria listed in Article 16 regardless of order of receipt of response.
   b. Bargaining unit members who request the assignment of the courses but were not assigned may request the reason for non-assignment in writing. The assignment decision by the ABS Director may be appealed to the Instructional Dean with oversight of ABS. However, the final assignment decision by the Instructional Dean is non-grievable. If no bargaining unit member requests to be assigned or is not qualified per the criteria in Article 16, the ABS Director may hire a candidate from outside of the bargaining unit to be assigned the courses.

2. On-contract time periods (12-month bargaining unit members, varies between 228 – 230 contract days, dependent upon contract between DRCI and DOC)
   a. When ABS (ABE/ASE/ELL) courses become available during on-contract time periods due to both anticipated and unanticipated circumstances (including temporary courses), all bargaining unit members shall be notified as soon as the need is identified and prior to any outside recruitment. Bargaining unit members who request these courses within five (5) working days of notification will be considered based on the criteria listed in Article 16 regardless of order of receipt of response.
   b. Bargaining unit members who request the assignment of the courses but were not assigned may request the reason for non-assignment in writing. The assignment decision by the DRCI Education Director may be appealed to the Extended Learning Dean with oversight of ABS programming at Deer Ridge Correctional Institution. However, the final assignment decision by the Extended Learning Dean is non-grievable. If no bargaining unit member requests to be assigned or is not qualified per
the criteria in Article 16, the DRCI Education Director may hire a candidate from outside of the bargaining unit to be assigned the courses.

3. **Off-contract time periods (179-day contract bargaining unit members and 12-month [228 – 230 days for DRCI] contract bargaining unit members)**
   a. If courses become available during off-contract time periods, all bargaining unit members will be notified by multiple methods of communication (e.g. college e-mail, and phone) and are encouraged to request an assignment of the available courses. A bargaining unit member who is interested must request assignment within 48 hours of the time of notification by email, and will be considered based on the criteria listed in Article 16, regardless of the order of receipt of response. If there are less than 48 hours (excluding weekends) available to fill the course(s), the course(s) may be assigned as needed. Longer periods for response will be given whenever possible (e.g. notification at the beginning or middle of summer break).
   b. College Management retains the right to assign the available courses to the most qualified candidate inside or outside of the bargaining unit on a temporary basis for one term based on the need to assign the courses in a timely manner.
   c. If a bargaining unit member who requests the assignment of the courses within 48 hours is not assigned the available course(s) the reason for non-assignment in writing may be requested in writing. The assignment decision by the ABS Director may be appealed to the Instructional Dean with oversight of ABS. However, the final assignment decision by the Instructional Dean is non-grievable.
   d. When courses are temporarily assigned to a candidate, all bargaining unit members shall be notified of the available courses before the end of the term and may request assignment of those courses per the process outlined above in section 17.1 and 17.2.

**ARTICLE 18: REDUCTION IN FORCE**

1. It is the intention of the College, to the extent possible given confidentiality requirements, to conduct any reduction in force (RIF) activities in as open and
transparent of manner as possible, all the while providing the opportunity for constructive input and suggestions.

2. In the event of financial need and/or budget restrictions, program reductions, program changes, or program eliminations, the Director shall determine the number of positions to be affected. When enrollment decreases, the Director and the instructor shall work together to promote the class in order to increase the enrollment numbers. When funding to the program is diminished, the college will reduce instructor FTE based on the necessity to maintain college services in specific sites. Reduction in force will begin with those who have the least seniority.

If the issue of qualifications and/or training becomes a concern for the instructor with the reduced FTE, the college will notify OSEA. OSEA will have ten working days to meet and discuss the issue with the Director. After considering input from OSEA, the decision by the Director on the assignment is not subject to the grievance procedure. The Director and the instructor will make every effort to maintain the instructor's FTE status without compromising the program's mission. The instructor subject to reduction may need to accept classes at other sites in order to maintain his/her current FTE.

3. At the end of such terms, the Director shall maintain a recall list for those instructors who have suffered reduction of FTE and work first to return those instructors whose assignments were changed and/or reduced to their original NOA assignment.

4. Recall. An employee who has been subject to layoff will remain on a recall list and be eligible for recall for twenty-seven (27) months. The re-establishment of positions will be at the discretion of the employer. Employees shall be recalled by order of seniority, position requirements and qualifications. The employer will make every effort to offer the same or similar position. The college shall provide an employee who was laid off a notice of recall by registered mail to the address of record maintained by the College and by return receipt email. It shall be the responsibility of the employee to notify the College of any change of addresses. Employees have seven (7) calendar days from receipt of registered mail notification to accept or reject a position. Employees who are recalled and reject the first offer of a position will be moved to the bottom of the recall list. Employees who are recalled and reject a second offer of a position will be removed from the recall list.

5. If no bargaining unit members accept a recall position, the director may consider candidates outside the bargaining unit.
An employee returning from layoff shall be entitled to all previously accrued sick leave and seniority but shall receive no compensation or contractual benefits for the period of layoff.

ARTICLE 19: SALARIES

1. **Salary Schedule**: Effective with summer term contracts, 2014, each step in the current salary schedule will be adjusted as follows. Instructors with satisfactory evaluations will be eligible for a step increase effective that date:
   a. **2014-15**: 3.5% increase to each step of salary grades in all 4 columns of the salary scale.
   b. **2015-16**: 2.75% increase to each step of the salary grades in all 4 columns of the salary scale; however, the following will apply if:
      i. the State of Oregon Community College Support Fund* funds the 2015-17 biennium at $520 million to $559.99 million, the adjustment to each step of the salary grades and in all 4 columns of the salary scale will be an increase of 3.0%.
      ii. the State of Oregon Community College Support Fund* funds the 2015-17 biennium at $560 million or greater, the adjustment to each step of the salary grades and in all 4 columns of the salary scale will be an increase of 3.5%.

*Excludes “special” state allocations specifically for items such as “tuition buy-down” or “deferred maintenance.”

2. **Longevity**: When a member is already at the top step of the salary scale, the following will apply for salary increases:
   a. Continue to use 18 steps
   b. When the salary grades are adjusted by the applicable negotiated percentage, any member at the Step 18 will receive that % increase to Step 18 as a new salary rate, and
   c. That member will not advance a step but will receive a lump sum payment at the beginning of their contract that is equivalent to the agreed-on percentage increase for that year in place of the step, in addition to the increase to base salary as stated in (b) above.
If in the 2015 Legislative Session, the state allocation to community colleges* is below $520 million, each step of the salary grades and in all four columns of the salary scale will be increased by 2.75% and Instructors with satisfactory evaluations will be eligible for a step increase effective that date.

* Excludes “special” state allocations specifically for items such as “tuition buy-down” or “deferred maintenance.”
