

Using Office Online

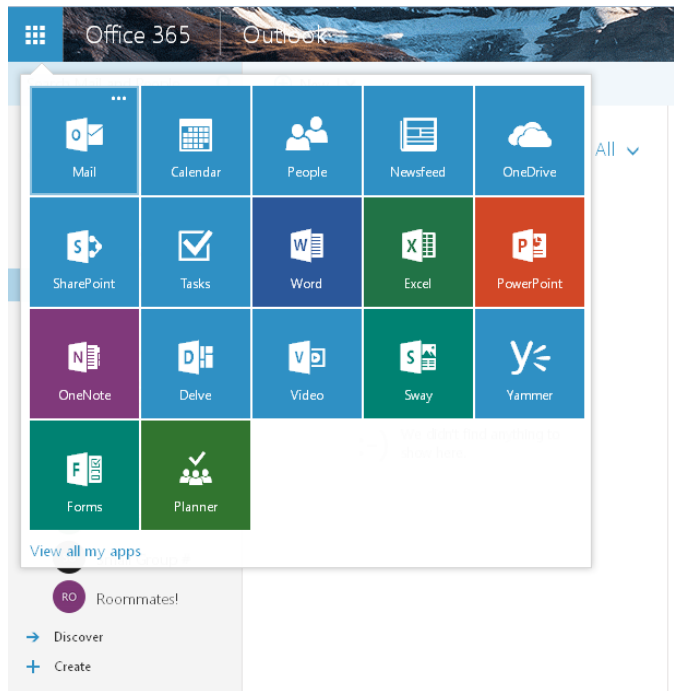

1. Log in to your student office 365 web email.

2. Click on the “waffle” icon in the upper left.

3. The app menu will drop down displaying all of the available apps including light weight versions of Office.

4. [Getting Started with Office Online in Office 365](#)

5. For more help see a Lab Attendant in one of [COCC's computer labs](#)
