

COCC Technology Sale

Visit the Information Technology Office:

- Ongoing throughout the year (excluding holidays)
- Mon-Fri, 9:00 am – 4:00 pm
- Pioneer Hall, downstairs, Room 106
- Central Oregon Community College, 2600 NW College Way, Bend
- 541-383-7400

Parking:

- You need a student permit to park in most COCC parking lots. If you don't have a permit, the library parking lot or College Way are open to the public. From there, walk up the hill to Pioneer Building.

Fine Print

- There is no warranty; all products sold "as-is".
- Prices are non-negotiable.
- We do not provide any tech support.
- All items sold first come, first serve, as long as items are still available.
- We will not hold, deliver, or ship items.
- Test your product the day you buy it. While there is no warranty, we may be able to address some problems, but ONLY within 48 hours. We will not fix software issues.

How the sale works:

- Go to Pioneer 106 and get a purchase sheet.
- Bring your purchase sheet inside the bookstore to pay for your items. Payment can be:
 - Cash, credit card, debit card, or check
 - Student aid money
- Immediately after purchasing – Drive up Pioneer 106 to pick up your items.

Other Equipment

From time to time, we may have other equipment for sale as they become available:

HP LaserJet 4015 printers - \$50

HP LaserJet cp3525 color printers - \$99

Dell laptops - \$75

Computer speakers - \$5

Fine print about laser printers:

- Printers have been cleaned, serviced, and tested. All produce quality printouts.
- You are buying the printer; we consider the toner cartridge a free accessory. Therefore:
 - Toner cartridge is used – thus may be partially empty, missing, or produce poor quality printouts.
 - We will not swap cartridges between printers.

- All printers have been tested with a known good cartridge and produce great print quality. If your print quality is faded or poor, it is due to the cartridge, not the printer. You will have to buy a new cartridge.
- Printers are sold in order of page count, from lowest to highest. We can tell you your page count when you place your order.
- These are heavy duty, industrial printers. They are fast, durable, and should last a long time. Even a printer with a high page count has lots of life left. They are great for business use and outstanding for home use. Be aware that these printers are large, heavy, and the cartridges are expensive (but a cartridge will last a LONG time.)
- All printers can be networked.
