Mission:
Our mission is to help restore individual dignity and self-worth by reflecting God’s unconditional love and grace to homeless men, women, and children in Deschutes County. We accomplish our mission by providing:

- No-cost showers,
- Hygiene products and
- New or gently used underwear

Services:
The goal of our ministry is to address a fundamental human need - restoring the dignity taken by a life of homelessness, addiction, and despair.

We work to accomplish this by providing a warm shower in a clean and inviting environment.

The ministry also works to improve the overall health of our clients. A clean shower reduces the spread of viruses, decreases potential infections, and helps improve oral health.

In addition to a shower, our clients can obtain new or gently used socks and underwear and hygiene items (toothbrushes, toothpaste, deodorant, etc.).

Locations:
Bend: Family Kitchen, located on the corner of Wall St. and Idaho. The truck operates three days per week - Tuesday, Wednesday, and Friday.

Redmond: Church of God Seventh Day, on the corner of 4th and Birch streets. The truck operates on Thursdays.

How you can help?
Volunteers are needed to drive the truck (no special licensing is required) and to assist clients during their showers.

Below is a list of needed supplies.

- Men and women's socks
- Men’s underwear (boxer briefs - please no white briefs)
- Women’s underwear
- Hygiene products (toothbrushes, toothpaste, feminine products, razors, deodorant, shampoo, soap, combs, and brushes)

Funding for the truck’s daily operating expenses is an ongoing need. These expenses include,

- Storage unit
- Truck repairs and maintenance
- Additional fees paid for insurance and business operation
- Cleaning supplies
