Council Discussions:

- **Office Norms: Intent vs. Impact-** discussion of identity, respect, and standards of professionalism in the work space. Reiteration of pronoun usage, establishing safety and respect in the office for council members, off-campus guests, students.
- **Club Discontinuation Decisions-** updates on club/student org. List. Discussion and review of at-risk clubs, potential proposals for defunding and discontinuations may be voted on. Additionally, working on developing a more specific and agreed upon definition between the events and meetings (to be added into the Club Handbook + ASCOCC Bylaws).
- **Campus Liaison Positions-** getting feedback on creating 3 new ASCOCC positions at each of the northern campuses. This idea is to address the issue of council presence at our other 3 campuses, so that students of those campuses can have more autonomy over their student fees and program/activity development.
- **Food Bank Brainstorm-** Internal will give us an update on her efforts to get the food pantry up and running again. Council will go over allotted budget for Bend, NC food banks, discuss what to stock, make a game plan for how to monitor and upkeep supplies.

Proposals:

- **Diversity Coordinator-** position agreement & council instatement, to be voted on.

Upcoming Events:
