

Temporary Access Codes

You have been issued a Hawkes Temporary Access Code. Once created, this Temporary Access Code is good for twenty days and will give you access to the Hawkes Learning Systems software required by your course. To make your Temporary Access Code a Permanent Access Code, please follow the directions provided below.

Step 1:

Purchase new (**unused**) materials from your campus bookstore.

Step 2:

Log in to your Hawkes Learning Systems Progress Report. Access the progress report by clicking the Progress Report button in the software or go directly to your Progress Report website which is <https://course.hawkeslearning.com/COCCcombo>.

Step 3:

Select the **Activate Access Code** button found near the top of your Progress Report screen.

Step 4:

Type in the license number found on the yellow sticker  located on the CD sleeve, then select Register.

Step 5:

Continue to work in Hawkes using your original Access Code. Your Temporary Access Code has now been registered as your Permanent Access Code.
