

Annual Chemistry Poster Session

Go far in the field of science by joining COCC general chemistry students for a free, informal and friendly discussion as you learn about their individual posters on chosen topics. Posters and students will discuss the connections between chemistry and everyday life, the environment, medicine and technological advances.

11:30 a.m. to 1:30 p.m.
FRIDAY, MAY 29, 2015

Light snacks and refreshments

FREE | Open to the public

COCC | 2600 NW College Way | Bend

Science Center | first and second floor
