**TOTAL CREDITS FOR AGS DEGREE**
(90 credits) ________________________

(continued on next page)
ASSOCIATE OF GENERAL STUDIES DEGREE WORKSHEET

About this degree option
For students who are not pursuing specific transfer or Career and Technical Education (CTE) programs, the Associate of General Studies (AGS) degree provides an alternative to pursue a broad general education background and accomplish personal educational goals. It is important for a student to work closely with an advisor in designing a course plan for this degree.

Advantages
The AGS awards a degree for completion of college-level coursework in core skills and general education and allows students flexibility to customize more than half of the degree’s required number of credits. It can be used to enhance employment, meet sponsoring agency requirements, and/or meet unusual baccalaureate requirements.

Considerations
The degree is not transferable as a whole and does not meet certification requirements for any Career and Technical Education (CTE) area.

It is important to note that the AGS degree does not guarantee that a student will meet all lower-division general education and major requirements; however, with careful academic advising and in consideration of transfer institution requirements, the AGS degree may be designed to do so.

Entry requirements
Students are required to take COCC’s placement test prior to registration. As part of this degree, students should begin with the appropriate level of courses based on their placement test results. Students with credits from other institutions should send official transcripts to COCC’s Admissions and Records office prior to registering for classes; depending on courses taken, the placement test may be waived, prerequisites may be satisfied, and credits may apply toward this degree.

Graduation requirements
Complete all requirements listed below:
• Complete all AGS degree requirements, as listed on the previous page;
• Earn a minimum 2.0 cumulative COCC grade-point average;
• Complete at least 24 COCC degree-applicable credits;
• Submit online application for degree
• Owe no debt to the College; and
• Fulfill catalog year requirement as outlined on page 26.
